Winemaking details

The 2011 harvest was close to perfect in terms of weather, which is likely the single most important variable on winemaking. After a long and cold winter, with plenty of rain that helped to create water reserves in the soil, spring was warm followed by a mild start to the summer. Temperatures rose in August, and then a couple of showers in mid August and very early September helped restore the vines. After the last rain, it was dry and perfect for the harvest, which started on September 5th.

Totally destemmed and crushed grapes, followed by a slow fermentation with temperature control up to 27°C degrees. Aged in 14.000 oak vat. Soft filtration and bottling in April 2015. Winemaker: Cláudia Quevedo

Press comments

Bottled 2015. 95% opaque with a red core and a hint of scarlet on the rim. Served slightly warm the alcohol on the nose gives a minty / eucalyptus edge to the lush blueberry. A wonderful texture, as smooth as silk. Big tannins grip but are a lovely toasted and roasted nutty element to the luscious sweet fruit. the primary fruit leads on the aftertaste and the enormous finish. This is a huge LBV, perhaps Quevedo's best yet, and will reward time in the cellar. 92/100. Tasted 05-Mar-15. From: Alex Bridgeman, The Port Forum, March 2015.
