

VINEYARDS

Quinta da Trovisca

GRAPES / VARIETIES

Códega do Larinho (42%), Rabigato (30%)
Gouveio (28%)

OTHERS

Alc. -13,5% Total Ac. - 6,7(g/l) pH - 3,19

TASTING NOTES

Colour: citrus with golden nuances.

Aroma intense and complex, shows the white fruit, mineral and sweet notes of the wood involving.

On the palate has a full body but well turned by the acidity that gives it vivacity.

WINEMAKING DETAILS

The summer of 2017 was very warm and dry and we needed to start the harvest earlier than the past years. We started at 21st of August and we had smaller berries of the grapes the vine produced but this berries was very aromatics and flavorful.

Grapes were hand picked. Gently crusted and fermented in French oak barrels, were aged 6 months on fine lees.

Drink between 10 and 12°C

Winemaker: Teresa Batista

PRESS COMMENTS

"It has a bit more depth than the regular white, but it is very graceful nonetheless. The wood makes a big difference in texture and power, though. The flavor impact of the wood is well controlled (although it mutes the fruit a bit). A little disjointed in its youth, this still is impressive on many fronts. The big, tight, gripping finish is merely one of them. Underneath, some acidity is there too. It's admittedly a little about projection just now, but this looks like it will settle down beautifully in a few months. It should hold nicely for several years more, at least."

90 points. From: Mark Squires, "Robert Parker Wine Advocate", June 2018
