Alc. -13% Total Ac. - 5,6(g/l) pH - 3,28

TASTING NOTES

Colour: citrus with golden nuances.

Aroma intense and complex with fruit, mineral and wood notes perfectly involved.

On the palate has a full body, persistent and well balanced. The acidity gives it vivacity.

WINEMAKING DETAILS

The year of 2018 was very rainy until the end of June, that brought us problems of humidity on the fields resulting in diseases on the vines. August was very hot and dry, which helped the vines to complete the maturation of the grapes. In the end, we had less production but great quality!

Grapes were hand picked. Gently crusted and fermented in French oak barrels, were aged 8 months on fine lees.

Drink between 10 and 12°C

Winemaker: Teresa Batista
