WINEMAKING DETAILS

The year of 2019 presented a wide variation of temperatures and lower rainfall than average, turning it into a dry year. At the beginning, growth cycle started earlier but throughout the late Spring and Summer months it slowed down. Despite the heavy rain of April, the weather conditions evolved well and we got healthy bunches at harvest. We started the harvest on the last days of August.

Grapes were hand picked, totally destemmed and fermented in stainless steel tanks with soft hand macerations and with temperature controlled.

25% of the lot aged 6 months in French oak barrels.

Drink between **15 and 17°C**

Winemaker: Teresa Batista
