TASTING NOTES

Color: Clear, golden straw.

Aromas: is opening on pure notes of white peaches, pears, almonds and touch of cream. It is fresh, elegant and balanced.

On the palate: it is round and fruity on the entry, then builds up in complexity of flavors on the mid-palate that delivers white flesh fruits flavor, minerality kicks in and leaves us on beautiful citrus notes.

WINEMAKING DETAILS

The year of 2019 presented a wide variation of temperatures and lower rainfall than average, turning it into a dry year. At the beginning, growth cycle started earlier but throughout the late Spring and Summer months it slowed down. Despite the heavy rain of April, the weather conditions evolved well and we got healthy bunches at harvest. We picked the grapes for this white wine at the very last days of August and the first week of September. Grapes were hand picked, gently crushed and fermented in stainless steel tank between 15°C – 18°C. After fermentation, we aged it for 6 months on fine lees in French oak.

Drink between 10 and 12°C

Winemaker: Teresa Batista
