TASTING NOTES

Color: Dark ruby color with purple reflects

Aromas: Fruity aromas of great intensity and deeply layered with notes of field berries, dark cherries and cassis.

On the palate: While displaying the intensity and concentration of this organic blend, the wine remains fresh and balanced with beautiful flesh surrounding those tight tannins. Medium to full body, this wine is filled with great expression of dark fruit and spices lingering on a long finish with chocolate accents.

WINEMAKING DETAILS

The year of 2019 started with an earlier growth cycle, but throughout the late Spring and Summer months it slowed down and picking days were in line with average. Despite the heavy rain of April, the weather conditions evolved well and we got healthy bunches at harvest. We started the harvest on the last days of August.

Grapes were hand-picked, totally destemmed and fermented in stainless steel tanks with soft hand macerations and with temperature controlled. 10% of this wine aged 8 months in French oak barrels.

Drink between **15 and 17°C**

Winemaker: Teresa Batista
